TELE-PAPER is a FDA registered company, with double certification in ISO 13485 and ISO 9001. All our **Sonomed** brand chart papers carry the CE mark. Sonomed range consists of more than 180 types of medical recording chart papers, which offer excellent imaging quality and long term archival capabilities. Recordings on our Sonomed papers for ECG machines, fetal monitors and defibrillators will not fade prematurely under correct storage conditions, and have a minimum of 5 years image retention. Sonomed "**Long Life-Anti Fade**" paper comes with a 25 years warranty on image life span
